**Subject:** RE: Trial availability

September 26th: Springfield District Court, Commonwealth v. [REDACTED], ADA Sam Medina  
September 27th: Springfield Superior Court, Commonwealth v. [REDACTED], ADA Frank Dunn

I think that there is a decent chance that the case on the 26th may either be pled or dismissed totally since a different defendant arrested at the same time (her boyfriend/acquaintance?) was supposedly going to plead guilty to possession, or at least that was the impression I got when I appeared at her trial at an earlier date (case was continued to 10-26-09 at that point).

As for the case on the 27th, the only thing I know is that I've been on call for it on once before (8-26-09).

Hope this helps.

Sonja

Sonja - thanks for keeping me updated on your busy schedule. Is there anyway you could get me the names of your cases on 26th & 27th so I can call Springfield and find out if really going to be trials or not? Thanks
